| <p>2. OLD BUSINESS</p> <ul style="list-style-type: none"> Falls Prevention Workgroup – SETRAC partnered with Area Agency on Aging to provide an A Matter of Balance Lay Leader course. The group is working with Texas A&M regarding a grant opportunity for AMOB. | <p>More information will be provided as available.</p> | <p>Update to be provided at the next meeting.</p> |
| <ul style="list-style-type: none"> Death by Trauma Study – Data gathering has been completed. The group is currently linking EMS Data. Stacy Drake has asked to present the outcome of the study at the EMS and Trauma Committee meetings in October. Intimate Partner Violence –Ms. Correa has started a training and has begun working with groups to provide education on how to provide proper IPV screening. Period of PURPLE Crying – 10 partners have received materials and are providing the training. There was a discussion about the multi stressors involved with keeping babies safe. Period of PURPLE Crying only focuses on crying. A suggestion was made to change the focus to a 4-arm program called Safe Babies. This includes, Family Support, Period of PURPLE Crying, Stressors Screening, Parent Action Plans and Education. Car Seat Safety – The last course was held in November 2017 training 16 new car seat safety technicians.
