DISCUSSION	ACTION/RECOMMENDATION	FOLLOW-UP
<ul style="list-style-type: none"> • Gun Safety – Ms. Beckworth reached out to the Be Smart trainers to request a class to be held at following the SETRAC injury prevention committee meeting in October. • 2018 Preparedness Coalition Symposium – The committee will have a booth with the Virtual Dementia Tour and with the drunk driving simulator. A volunteer schedule is being drafted and will be finalized soon. • Stop the Bleed – A suggestion was made to reach out to the school districts in our region that have not had training. To provide accurate training data, the facilities and agencies in the region will have to submit classes taught, to SETRAC. Currently, very few facilities are reporting data. Concerns were expressed about SETRAC receiving recognition for the work done by members. Ms. Samuel agreed to provide information regarding the trainings that have been reported, by facility. 	<p>No action items or recommendations.</p> <p>Mr. Talbot will send the finalized schedule to those that provided availability to volunteer.</p> <p>Ms. Samuel will compile the data that has been reported and will provide an update at the next meeting.</p>	<p>Registration information will be sent through the list serves, when the date is confirmed.</p> <p>Standing.</p> <p>Update to be provided at the next meeting.</p>
