How to Configure the Drop-Down Box for EMS Agency Name or Number in the Special Initiatives Tab of GWTG-Stroke

BACKGROUND: We want to configure this drop-down box so the names of the EMS agencies that transport patients to SETRAC hospitals appear.

Patient Patient hospital	care record ava care record ava ization?	ilable at time of p ilable at a later tin	atient arrival? ne during	⊖Yes(⊖Yes(
EMS age	ency name or n	umber		Unknown		

STEPS:

- 1) Log into the Patient Management Tool, <u>https://qi.outcome.com</u>.
- 2) Click on one of these three Stroke icons from the home page under "Get Started".

Stroke 🔹 😫 🔳

3) Click on the tab "My Account"

Switch Studies Contact Us Lo							
Patients	Download	Reports	Data Upload	My Account	Home		

- 4) Click on "Manage code lists"
- 5) Click on "EMS agency"
- 6) Click "New Code"
- 7) The "Optional Text" is what you will see in the drop-down box. Insert the first EMS agency name, number, and/or code here.
- 8) Ignore the boxes "Start date" and "End date". Click "Save".
- 9) Repeat steps 7 & 8 until all EMS agencies in the list have been entered.
- 10) Task complete. If you go to the Special Initiatives tab for any record, you should now see this drop-down box with all of the agencies that you entered.

If you made an error...

• Just go back into "Manage code lists" and click on "EMS agency". You can edit any of the agency names by clicking on the blue text "Edit".

E New Code	dit EMS Agency List Site: 59274		
Optional Text		Active	Ţ
Baytown VFD	Yes		Edit
Cypress Creek	Yes		Edit
HFD	Yes		Edit
Northwest Houston	Yes		Edit
New Code			

If you need to add another agency at a later date...

• Just go back into "Manage code lists", click on "EMS agency", and click on "New code". Then follow steps 7&8 above.
