DISCUSSION	ACTION/RECOMMENDATION	FOLLOW-UP
<p>2 PEDIATRIC TRAUMA REGISTRY UPDATES – SETRAC</p> <p>A handout was provided that shows a complete list of all quarterly pediatric data reports. The group reviewed the list and decided to remove 8 of the current reports (a complete list is filed with the minutes). A few additional reports were added (GSW's, NAT's, Auto Peds by ISS, outcomes, age, location and e-codes).</p> <p>The group discussed developing an action campaign on Gun Safety. This will require reviewing the regional data on GSW's. More information will be available once the data group has reviewed the newly requested data.</p>	<p>The suggested data report revision will be provided at the next data registry meeting for approval. Ms. Kat Samuel will work with CDM to make the requested revisions to the pediatric data reports.</p> <p>No action items or recommendations.</p>	<p>Update to be provided at the next meeting.</p> <p>Update will be provided at the next meeting.</p>
