

SETRAC Cardiac Care Committee

Friday, October 23, 2020
 American Heart Association, Hamill Room, 10060 Buffalo Speedway, Houston, TX 77054
 Virtual Meeting

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
<p>Presenter: Dr. James McCarthy Topic: Call to Order/Approval of Minutes</p>	<p>The group was welcomed, and introductions were made.</p> <p>The minutes from the October 23rd meeting were approved as written. Codeword: PUMPKIN and GHOSTS</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Micah Panczyk Topic: Texas CARES Project Update</p>	<p>Progress update provided. Registry volume and coronavirus impact data for Texas through May 2020. reviewed. Noted GETAC has formally endorsed Texas Cares. Recognizing its benefits, supporting its emergence, supporting its efforts to sustainably fund the program. Working to build sustainable model that will over the State coordinator salary, full time assistant, state subscription fee which will be \$25k in 2022, and pre-hospital/hospital quality improvement programs. Working with RACs for continued program support. micah.j.panczyk@uth.tmc.edu Requested RAC specific data in the future.</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Tracy Akin Topic: Q2 2020 Data Review</p>	<p>STEMI data reviewed. Noted discrepancies in the data as some hospitals originally reported from the old reporting system and did not go back into the database to correct/update their data. Regarding reasons for delay, the ACC has noted that people with clear STEMI without clear signs of infection should go to CATH. Moving forward, may find that if delay is due to rapid covid test, it may be considered acceptable.</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Grace Farquhar/Tracy Akin Topic: Assessing 2020 STEMI Volume Fluctuations</p>	<p>Data showing the increase in patient resuscitation and the increase in patients that were reported dead on scene reviewed. More data from EMS is being collected through August.</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Liza Ruff/Tracy Akin Topic: Data/QI Update</p>	<p>In 2019, co-leaders realigned the SETRAC data to meet the NCDR requirements more closely. This group works to keep the database up to date. Liza (co-leader) is no longer within this RAC. New co-leader needed. Email tracy.akin@hcahealthcare.com or tonya.carter@setrac.org if interested.</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Sharla Shumaker Topic: Protocol Subcommittee Update</p>	<p>Recommended using this workgroup to push out educational material to facilities that may have interventionalists who are struggling with how to</p>	<p>The committee has no further recommendations</p>

 Virtual Meeting

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
	handle COVID patients.	
Presenter: Christy Means Topic: Education Subcommittee Update	Working to develop a draft for the standardized guidelines for non-PCI facilities that can be sent to members for feedback. Recommended a one call alert for lytic protocols with a process flow for quick transfer that we can fine tune from evidence based best practices and AHA guidelines. Would also like to develop a draft version of a covid guideline as a resource. Presentation reviewed as a template for potential community education. Webpage that is dedicated to the public is being developed by SETRAC. Possibly include hands-only CPR education as well. Email cjmeans@houstonmethodist.org with education opportunities.	The committee has no further recommendations
Presenter: Loni Denne Topic: Mission Lifeline Report	Allison introduced Loni Denne as our new STEMI care liaison. AHA update provide. Noted the importance of attending virtual conferences during this time.	The committee has no further recommendations
Presenter: Dr. Kevin Schulz/Todd Caliva Topic: 2020 Goal Review	Goals reviewed. Status as of October 2020 reviewed. Incomplete goals will roll over to 2021 goals. For EMS feedback, the QI leaders will discuss what the data collection will look like and possibly implement changes into the next database upgrade. Making it a part of the database will increase consistent reporting. Cardiac Care Public Messaging radio ad played for the committee. Will run ad for a 4-week period across 8 radio stations covering 9 counties. Social media and digital message are also being used. Will pursue media attention more aggressively in the future.	SETRAC to re-send email
Presenter: Tracy Akin Old Business: CPR Community Event	On hold due to COVID but will proceed with this initiative. Possibly include high school students as well. Create a video for the community.	The committee has no further recommendations
Presenter: Tonya Carter Old Business: Consortium Planning	Project surrounds education on lytic administration. Speakers and topics are being reviewed. Working to ensure CEUs will be available. Will work with Christy Means for CEUs. Email tonya.carter@setrac.org with suggestions.	The committee has no further recommendations
