<b>Presenter:</b> <b>Topic: Call to Order/Approval of Minutes</b>	Meeting called to order and introductions were made. Minutes were approved with no changes.	Minutes approved with changes.
<b>Presenter: Kati Bare</b> <b>Topic: Falls Prevention</b>	Deferred. Kacey Sammons noted that fall patients have increased in her service area.	The committee has no further recommendations
<b>Presenter: Kati Bare</b> <b>Topic: Firearm Safety</b>	Deferred	The committee has no further recommendations
<b>Presenter: Jenny Bennett</b> <b>Topic: Drowning Prevention Survey</b>	<p>Jenny noted 2-year old's account for the majority of drownings. Medical examiners data had a lot more information than the state submersion registry. Noted using data to increase prevention and awareness. Darrell Pile noted he has been in contact with multiple reporters and believes this is a good opportunity to spread the message.</p> <p>Recommendations include, social media, property managers, HOA, local apartment associations, etc. to spread awareness. Requested anyone with connections to platforms that can disseminated large amounts of information to contact <a href="mailto:Jennifer.bennett4@hcahealthcare.com">Jennifer.bennett4@hcahealthcare.com</a></p> <p>Recommended those who work in or have relationships in some of the high frequency zip codes, possibly collaborative to push out materials or messaging in those areas.</p>	The committee has no further recommendations
<b>Presenter: Kacey Sammons</b> <b>Topic: Advance Directive for Nursing Home Patients</b>	<p>Noted speaking to nursing homes for this information. Some provide an Advance Directive, some don't. There is currently no law for EMS personnel to ask for advance directive, but it is best practice. Nursing homes can be fined for not providing it, but the process is tedious.</p> <p>Sugarland reached out to every assisted living, senior living and nursing home facility starting mid-march and has had 10 biweekly calls to keep up with them on this. Participation is decreasing. Due to COVID-19, some EMS agencies are asking for 2 packets during nursing home transport to ensure</p>	Will discuss further at next meeting.
