TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
<p>Presenter: Dr. Brent Kaziny Topic: 2020 PECC Symposium Framework Taskforce</p>	<p>Ensure this is a regional opportunity. Goal is late Spring. Half day symposium for EMS and hospital providers who are PECCs or are interested in becoming a PECC. EMS for children, etc. Second half will be breakout sessions. Topics: Institutional support and steps to becoming a successful PECC. Identify EMS PECC to see if speakers are available and a hospital PECC. Requested potential speakers. Email bxkaziny@bcm.edu</p>	<p>Requested recommendations for presenters and topics</p>
<p>Presenter: Dr. Brent Kaziny Topic: 2019 Goal Review</p>	<p>Moving forward on goals. Attendees has increased. 25% of the region has a PECC leader or has shown interest.</p>	<p>The committee has no further recommendations</p>
<p>Presenter: Dr. Brent Kaziny Topic: Establish 2020 Goals</p>	<p>Pediatric practice guideline and PECC Symposium. Could be annually or bi-annually. Education videos for distribution via SETRAC webpage. Adding a way for people to attend meetings remotely. Possibly in FY 2021. Updating resources on the webpage. Add PECC resource list. EMSC and evidence based guidelines. Future steps for categories of guidelines. Big buckets of topics that can be tackled. Add to next agenda.</p>	<p>Work with Sarah Beth to update webpage content. Add PECC resource list. Possibly record education and meetings to post on webpage Big bucket topics</p>
<p>New Business/Open Discussion</p>	<p>May want to work with law enforcement to know the signs and maintain the investigation scene. Dr. Kidd will see how she can incorporate Medical Directors. Co-sleeping is leading cause of infant deaths. Suggested presentation at TX ems conference regarding scene awareness.</p>	<p>The committee has no further recommendations</p>
<p>Next Meeting/Adjournment</p>	<p>Date: April 15, 2020 at SETRAC There being no other items for discussion, the meeting was adjourned.</p>
