

SETRAC Stroke Committee

Wednesday, September 30, 2020
 SETRAC Conference Center, 1111 N. Loop West, Suite 160, Houston, TX 77008
 Virtual Meeting

Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Topic: Call to Order/Approval of Minutes	Minutes from the July 22, 2020 meeting were approved with no changes. Code words provided for virtual meeting.	The committee has no further recommendations
Presenter: Darrell Pile Topics: SETRAC Public Messaging Campaign	In 2-3 weeks, messages will come out from SETRAC promoting committee work and education documents. These messages will be placed on social media and link to an education page on the SETRAC website. Public messaging will target zip codes that show greater need of stroke education. Funds were allocated for education needs. Campaign may be extended. The stroke and cardiac radio messages may be combined to meet the 15 second timeframe. Boris Miles may be the best starting point for campaign. We will begin with education and move forward. Flyers can be mailed out and sent through social media.	The committee has no further recommendations
Presenter: Michelle Vu Topics: Neuro Team Introductions	UTMB Clear Lake is now open 24/7 to treat LVOs for acute stroke patients. Currently working towards comprehensive status. Please email Michelle Vu mlvu@utmb.edu or Brenda Yanez bjyanez@utmb.edu for further information.	The committee has no further recommendations
Presenter: Grace Farquhar Topics: CEO Reports	Noted abstractors will receive an email today with 2019 and Q1-Q2 2020 data for 7 day review prior to sending to CEOs. Notify Grace grace.farquhar@setrac.org of any changes. Database upgrade performed last week. Documents added as well as button to indicate "no patients". Requested abstractors make updates to previous months.	The committee has no further recommendations
Presenter: Grace Farquhar Topics: COVID-19 Impact on Stroke Volumes	Decrease in volumes and transport in April could be due to the stay at home order.	The committee has no further recommendations
Presenter: Donald Garrett/Susan Zamora Topic: Stroke Data Subcommittee	Overview of Q2 2020 data provided. Encouraged members to attend the monthly stroke data subcommittee meetings.	The committee has no further recommendations
