<p>Presenter: Dr. Michelle McNutt Topic: Call to Order/Approval of Minutes</p>	<p>Minutes from the meeting on September 3, 2020 were approved with no changes.</p>	<p>Minutes approved with no changes</p>
<p>Presenter: Tonya Carter Topic: Vice Chair – Hospital Representative</p>	<p>Election was held for the vice-chair hospital representative position of the SETRAC Trauma Committee. Documentation was received from one candidate, Christine Campbell, HCA Gulf Coast Division. Christine provided a brief introduction. The election was opened for nominations on the floor. None received. A motion to close nominations was made and seconded. A motion to elect Christine Campbell for the position of Vice-Chair was made through verbal and/or written (in the chat section of the virtual meeting) approval, disapproval, or abstention. The motion passed. This vote will be ratified by the SETRAC Board of Directors.</p>	<p>Christine Campbell is now the Vice-Chair hospital representative.</p>
<p>Presenter: Dr. Michelle McNutt Topic: Pre-Hospital Ketamine Usage</p>	<p>Noted this leads to unnecessary intubation. Weight based and max dosage and re-dosing recommendations for pain best practice protocols needed. Volunteers needed to develop a workgroup. HCESD 48, MCHD, and Cypress Creek EMS are currently working on this. Meeting tomorrow. Will proceed with best practice meeting and bring findings to next meeting. EMS leadership needed in the protocol and send to EMS committee for review. Noted this would be a recommendation, not a dictation of standard.</p>	<p>Follow up at next meeting</p>
<p>Presenter: Dr. Michelle McNutt Topic: Pediatric Transport Guideline</p>	<p>A meeting has been scheduled with pedi leaders to write first pass of documents next week. Pedi committee will review and send to EMS committee before returning to Trauma committee. Long bone fracture specifics omitted. CDC guidelines published in 2012 were used for adult guidelines. Should adult and pedi major injuries go to a certain center?</p>	<p>The committee has no further recommendations</p>
