TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
	Deaths: Texas is top 3 in nation of MVCs. ATS released paper in October. Recommended looking at pedi burn report quarter over quarter to see if double coded. • Gun Shot Wound detail: Give to pedi and injury prevention • Non-Accidental Trauma: Give to pedi committee • Auto Ped detail: Give to injury prevention • Transfer ISS quarter over quarter	
Presenter: Rebecca Crocker/Christi Reeves Topic: New Business • Research Report	Tourniquet data reviewed. Open fracture data is no longer needed.	SETRAC to send tourniquet ICD 10 codes to trauma list serve
Presenter: Rebecca Crocker/Christi Reeves Topic: New Business • Goals ○ Compile tourniquet data ○ Regional Dashboard ○ Bi-Annual Education	Committee would like to see Q2 and Q3 tourniquet data separately. Dashboard for Trauma Committee • Total volume • Graphs quarter over quarter • Top 5 mechanism • Mortality by % Education will now be held annually. ICD-10 course complete.	Rebecca and Christi to work on dashboard and present to committee
Presenter: Rebecca Crocker/Christi Reeves Topic: New Business • Injury Prevention	Rice is doing a geo-mapping project for Stroke. School of Public Health is always looking for projects. Take to Trauma Committee to see if someone there is interested.	The committee has no further recommendations
Open Discussion	Noted change in standards. Must answer every complication. If left blank, defaults to "no" until mapping is complete. Noted ensuring submersion data is entered on a facility level.
