TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Dr. David Weisoly Topic: Call to Order/Approval of Minutes	Dr. Weisoly welcomed the group. Minutes from the July 10, 2019 meeting were approved as written.	The committee has no further recommendations
Presenter: Dr. Weisoly Topic: Perinatal Data	Dr. Weisoly recognized the QI workgroup, Jon Fry, and SETRAC staff who have been involved in troubleshooting the database. Aggregate data will be presented in December 2019. Encouraged members to invite their data collectors to the QI workgroup meetings. Data submission is a requirement. Level I hospitals are not required to submit data. Q1-Q2 2019 data is due October 15, 2019. Will begin quarterly reporting in 2020. Q3-Q4 2019 data will be due Jan 15, 2020. Will develop plan for distribution of data back to the hospitals. Maternity data collection will be focus in the future.	The committee has no further recommendations
Presenter: Dr. Catherine Eppes, Jeremy Triplett, and Ashley Steenberger Topic: TexasAIM	Jeremy Triplett presented on the TexasAIM initiative. The three bundles are obstetric hemorrhage, severe hypertension in pregnancy, and obstetric care for women with opioid use disorder. 8-12 additional bundles will be implemented in the future. 217 of 225 hospitals involved. Cohort regions include roughly 40 hospitals. All hospitals are required to enter data into the TexasAIM portal quarterly. Dr. Catherine Eppes presented SETRAC specific data from April-June 2018 for the hemorrhage bundle. Readiness, response, and reporting reviewed. Ashley Steenberger provided a poll to gather information on what the committee needs from TexasAIM. Next learning session will be for postpartum hemorrhage. Recommendations and suggestions discussed. Dr. Weisoly noted TexasAIM is welcome to collaborate with the SETRAC Perinatal Maternal Mortality and QI workgroups. The presentation will be added to the Maternal Mortality section of the SETRAC website.	TexasAIM to send SETRAC their presentation to add to the SETRAC website
Presenter: Dr. Weisoly Topic: Perinatal QI Workgroup	Dr. Weisoly noted Oct 15 th is due date for Q1-Q2 2019. Noted a glitch in the spreadsheet in May that is being resolved. Additional spreadsheet will be released for Q3-Q4 2019 data. Reminder: the database is for patients admitted to the NICU. Level II and	The committee has no further recommendations
