TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Tonya Shelton Topic: Call to Order/Approval of Minutes	Meeting called to order. Minutes from February 26, 2020 were not approved. Will resend with minutes from this meeting for approval in August. Noted Shelley White is no longer the co-chair. If interested in co-chair position, email tpshelton@houstonmethodist.org or tonya.carter@setrac.org	The committee has no further recommendations
Presenter: Donald Garrett/Allison Capetillo Topic: CSC LVO Data Collection Update	LVO data collection should start this month for Memorial Hermann as the build is complete. Database test is being performed and ensuring that the instruction guide works properly. Possibly have Grace upload a test run. Goal is to complete in the next week or so.	Update will be provided at next meeting
Presenter: Allison Capetillo Topic: AHA Report	AHA update provided. Slide deck will be sent to committee in PDF format. Noted most facilities have a pharmacist in the ED that mixes the tPA to improve door to needle times. Some ED staff mix but have pharmacist on call. Best practice: PT consult and/or speech consult should be incorporated in mild cases.	Slide deck will be sent to members
Topic: Open Discussion/Announcements • Reporting Q1 2020 Stroke Volumes to SETRAC • Patient Success Stories • Stroke Stakeholder Meeting • QI Projects from ISC • Education Opportunities	• Most have reported Q1 2020 data. Requested everyone ensure this data has been submitted to SETRAC. Last month an email was sent out requesting April and May data in order to review regional stroke volumes and EMS runs. Noted an article that came out yesterday in the Houston Chronicle that talks about our region and the drop in the number of STEMIs and strokes that are being reported at hospitals and EMS agencies. Will continue to monitor this data. • Email sent last week requesting stories from patients that made the right decision to call EMS for their stroke symptoms. Email stories to tonya.carter@setrac.org • Discussed new qualifications and requirements for becoming a designated center. Changes to CAP have been simplified. Increase in cost. Renewals will be every 3 years with annual checks. Two years for Joint Commission. Expiration and application submission dates	The committee has no further recommendations

SETRAC Stroke Coordinators Subcommittee
