TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Topic: Call to Order and Approval of Minutes	Meeting called to order. Minutes from February 26, 2020 and June 24, 2020 were approved with no changes.	The committee has no further recommendations
Presenter: Donald Garrett Topic: LVO Data Update	Will perform another test run and possibly distribute upload information to the CSC in the next few weeks if glitches are resolved. If postponed longer, data will need to be submitted manually via JotForm. More information to come. Data can be submitted in one file as long as dates are included. Jan – July first data submission. Requested members do not submit the data for the same months twice.	The committee has no further recommendations
Presenter: Grace Farquhar Topic: tPA Trending Reports	Reports reviewed. Previously shared quarterly and percentages but did not share annual data trends. More facilities are reporting from 2015-2020. May include this data in the CEO reports or end of year summary reports versus quarterly 2019 reports.	The committee has no further recommendations
Presenter: Donald Garrett Topic: Additional Data Points	Additional trending data discussed. Will include IAP facilities in the regional numbers as well. Committee requested to see data trends for questions 3, 4b, and 9. Will pull data and show at next meeting. Inquired about arrival times for patients arriving by EMS versus private vehicle. AHA to begin showing the GWTG number of patients that arrived within the window and how they arrived. CSC LVO data may capture additional data points regarding endovascular treatment as requested by members. Will show this data once LVO data report is complete.	Show requested data at the next meeting.
Open Discussion	None	The committee has no further recommendations
Next Meeting	Wednesday, September 23, 2020 at 11:00am – 12:00pm 1111 N. Loop West, Houston, TX 77008 – Virtual Meeting	
Adjourned	There being no other items for discussion, the meeting adjourned.
