TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Topic: Call to Order and Approval of Minutes	Meeting called to order. Minutes from September 30, 2020 were approved with no changes.	The committee has no further recommendations
Presenter: Allison Capetillo/Grace Farquhar Topic: CSC LVO Data Collection Update	Will perform one final test and will send instructions and additional information to CSC's next week. Once report was built, it was easy to run reports. Data is easy for non GWTG facilities to report. Begin submission with Jan 2020 data. Requesting facilities use 1-month files with all months included, however, do not duplicate data.	The committee has no further recommendations
Presenter: Donald Garrett/Susan Zamora Topic: "Other" Category Education	Noted there is a place to mark "no documented reason" versus adding to the "other" category. Abstractors receive the reasons for delay to review as it can count against the facility. Additional step by step education of this section needed. Completing the definitions may assist. Possible one on one education. Will reach out to those hospitals and provide them with AHA and data leaders. "No documentation" can be added to the "other" category. Database was created in 2014. If updates are needed, i.e. "no documentation" category, please create a list. Coordinators may need to educate physician. COVID-19 is an acceptable reason in GWTG; possibly change in SETRAC database. Allison to send Grace list of reasons.	Allison to send Grace list of reasons
