Presenter: Andrew Hiriart Topic: 2021 NTDS Data Dictionary Changes	Link to NTDS website shared. Change log reviewed along with “new” and “retired” elements highlighted.	The committee has no further recommendations
Presenter: Rebecca Crocker Topic: Trauma Registrars	No update at this time.	The committee has no further recommendations
Presenter: Rebecca Crocker/Chris Campbell Topic: Complications Workgroup	Dashboard reviewed. Will be compared to benchmarks.	Will provide update at next meeting
Presenter: Brett Dodwell Topic: Research Workgroup	Will meet at 1pm. No update since last meeting. State STB info has been announced since the last meeting. Will provide update at 1pm meeting.	The committee has no further recommendations
Open Discussion	Partnering and sharing data with other committees as needed. Continuing to report data at trauma committee. Noted NTDS patient inclusion criteria 2021 algorithm changes. NTDB has not included isolated burns. Subcommittee is not currently utilizing the burn data for QI projects within our RAC. Discussed following the NTDB inclusion criteria or a different one. State input has not yet been provided. Members agreed to follow NTDB as we always have but will form ad hoc group to drill down, discuss, and bring to the committee. Asked members to discuss changes within their facility and email tonya.carter@setrac.org with updates for Jan 2021 meeting. DSHS is using the 2021 ITDX formatting opposed to the 2017 version. Education: Hospital event information available via TETAF website. Hosting education virtually. Research Coordinator position available at TCH for firearm violence program. Email kmgautre@texaschildrens.org for information.
