

SETRAC Injury Prevention Committee

Thursday, June 10, 2021
SETRAC, 1111 N. Loop West, Suite 160, Houston, TX 77008
Virtual Meeting
Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Dr. Anthony Topic: Call to Order/Approval of Minutes	Minutes from April 8, 2021 were approved with no changes.	Minutes approved with no changes.
Presenter: Tonya Carter Topic: New attendance tracking	Attendance will now be tracked by going to www.setrac.org . Go to the clinical tab, select the appropriate committee, and follow the instructions on the meeting attendance form. This is where you also will enter your code words.	Complete attendance requirement after each meeting. Tonya to send out attendance requirement in writing
Presenter: Kati Bare / Kacey Sammons Topic: Falls Prevention	Regional data is being collected for patients who fall but do not get transferred to a hospital. Seeking grant funding for fall prevention efforts related to Tai Chi. Next virtual Tai Chi class on April 13, 2021. Registration link: https://www.surveymonkey.com/r/X29LSL3	The committee has no further recommendations
Presenter: Kati Bare Topic: Firearm Safety	Data reviewed for cases over age 56. Mayor of Houston is part of a suicide challenge intervention program for veterans.	The committee has no further recommendations
Presenter: Jenny Bennett Topic: Drowning Prevention Survey	Jenny is unable to continue to serve as leader of this workgroup. Kristen Beckworth (Hospital) and Cindy King (EMS) would like to work together as co-chairs. Dr Anthony Arredondo will also contribute to keep this workgroup moving forward.	The committee has no further recommendations
Presenter: Darrell Pile Topic: Advance Directive for Nursing Home Patients	Advance directives are sent 50% of the time with EMS and lost in transport. Would like a few hospitals to volunteer for a couple to track patients transported in from a nursing home to collect data to reflect the percentage of patients who arrive at hospital with or without their advanced directive. Asking EMS agencies to set policy to request and obtain the advanced directive and make sure it arrives at hospital with patient. Should this topic be moved to a new committee? EMS could possibly better serve this topic.	The committee has no further recommendations
