TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Andrew Hiriart Topic: Call to Order/Approval of Minutes	Andrew Hiriart called the meeting to order. The minutes from the meeting on September 2, 2021 were approved with no changes.	Minutes as is with no changes
Presenter: Tonya Carter Topic: New attendance tracking	Attendance will now be tracked by going to www.setrac.org . Go to the clinical tab, select the appropriate committee, and follow the instructions on the meeting attendance form. This is where you will enter your code words.	Complete attendance requirement after each meeting
Presenter: Andrew Hiriart Topic: Q1 2021 Data Review	Pedi Data: 2021 Q1 data reviewed. Data shows downward trend, especially in Level I. Please review data to make sure submissions are correct. Level IV missing ISS issue seems to have been corrected. Will continue to monitor and make sure that the data is correct Adult Data: 2019 - 2021 Q1 data reviewed. Level I is still seeing most patients and trending upward. Level II numbers are trending downwards. Falls are consistently the number one out of the top 5 mechanisms and is still trending upward. The winter weather contributed to this due to the ice. Auto Ped is trending downward. Transfer in ISS by trauma level will continue to be monitored and reviewed to see if winter weather along with COVID are affecting these numbers. Death by location should not reflect "not applicable" if patient passes away inpatient. Top 5 Mechanisms of injury for Pedi and Adult, as well as volume increases, and missing ISS records to reflect the decline from previous years will be shown at the next meeting.	The committee has no further recommendations
Presenter: Rebecca Crocker Topic: Trauma Registrars	No update at this time. If you are interested in joining the workgroup, reach out to Tonya Carter or Andrew Hiriart. After the surge declines and the survey is over, the workgroup will pick back up for education planning.	Set a date to for workgroup to meet

SETRAC Trauma Data Registry Subcommittee

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Rebecca Crocker/Chris Campbell Topic: Complications Workgroup	Trying to determine where the TQIP benchmark numbers were derived from. ARDS numbers declining, possibly because being diagnosed as COVID pneumonia. Would like to see the data shown in a graph to show trending data.	The committee has no further recommendations
Presenter: Brett Dodwell / Erin Fox Topic: Research Workgroup	Level II Trauma Centers Abstract was not selected. Tourniquet Usage White Paper was submitted to ACS. Will know in late September if the project was selected. Meetings will subside until the workgroup gets another project to work on	The committee has no further recommendations
Open Discussion	Q2 2021 data is due September 30, 2021. Please make sure data is submitted.	
Next Meeting	Thursday, November 4, 2021 at 10am SETRAC – Virtual Meeting	
Next Meeting/Adjourned	There being no other items for discussion, Andrew adjourned the meeting.
