

SETRAC Perinatal Committee

Wednesday, September 8, 2021
SETRAC Virtual Meeting

Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Dr. David Weisoly Topic: Call to Order/Approval of Minutes	Dr. Weisoly welcomed the group. Minutes from the June 16, 2021 meeting were approved with no changes. Attendance will now be tracked by going to www.setrac.org/perinatal . This is where you will also enter your code words.	The committee has no further recommendations
Presenter: Dr. Catherine Eppes / BCM Staff Topic: Maternal Opioid – SUD Program	Dr. Carey Eppes and Emily Ybarra presented on Maternal Substance Use Disorder and available options for patients.	The committee has no further recommendations
Presenter: Dr. Catherine Eppes / Dr. Kelli Burroughs Topic: TCHMB and Maternal Committee Update	The TCHMB Strategic Plan has been updated. The annual Summit will now be virtual and will be held in February 2022. Texas AIM Updates have been focusing on COVID and OB Support rather than Hypertension. Please visit Texas AIM website for upcoming conference calls. Substance Abuse Disorder program is in the works and has ten pilot hospitals on board. Race / Equity Available Webinar: <i>Getting Real on REaL Data</i> will be 10.22.21 from 12:00pm to 1:00pm. Dr. Kelli Burroughs presented the Postpartum Preeclampsia in the ED Project response and review.	The committee has no further recommendations
Presenter: Dr. David Weisoly/TCHMB Staff Topic: TCHMB Neonatal Newborn Admission Temperature Project	Enrollment for the project will end at the end of October. If you have only done partial enrollment, please reach out to David Weisoly if you need assistance finishing your enrollment or need guidance with the data collection. The project is capturing 80% of all deliveries in the state of Texas to date and is the largest NICU project. NAT drop-in hours are every Wednesday from 12pm to 2pm via Zoom if you need assistance or have questions.	The committee has no further recommendations
Presenter: Dr. Eugene Toy Topic: Maternal Mortality Workgroup	Maternal triggers have been finalized, please contact David Weisoly if you are interested in the information. There will be an educational webinar covering COVID-19 vaccines in Pregnancy on September 10, 2021. Tonya Carter will send out the informational sheets on vaccinating pregnant women.	The committee has no further recommendations

SETRAC Perinatal Committee

Wednesday, September 8, 2021
SETRAC Virtual Meeting

Page 2 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Patrick Vermaas Topic: Perinatal Planning Workgroup	No update available at this time.	The committee has no further recommendations
Presenter: Dr. Lisa Owens Topic: Low Birth Weight Infant Mortality Workgroup	No update available at this time	The committee has no further recommendations
Presenter: Dr. David Weisoly Topic: Perinatal QI Workgroup	Perinatal QI Project Group Updates: Data Review: Q2 2020 Neonatal data is past due of August 31, 2021. Q3 2021 will be due November 30, 2021. Please make sure that your full set of data is finalized and submitted as soon as possible to ensure data that is presented is accurate. Timely data submission is part of the participation requirement for SETRAC. Breastmilk at Discharge: Each facility will be working on their own project and goals in the SETRAC Breastmilk at Discharge Initiative. Breast Depot presented at the last workgroup meeting and has shown the rates are improving. Antibiotic Administration: Antibiotic timeliness for infants in the first week of life goal for 2020 was 39%, and 29% by June 2022. Please visit www.setrac.org/perinatal for additional resources and the toolkit.	The committee has no further recommendations
Open Discussion	Dr. Weisoly would like to thank the group for the work and effort being put into this committee and workgroups. Healthcare staffing shortages are still an issue overall throughout the region at this time. Please reach out to Lori Upton or Tonya Carter for staffing needs and issues.	The committee has no further recommendations
Adjourn / Next Meeting	Dr. Weisoly adjourned the meeting. Next meeting is Wednesday, December 8, 2021, 1:30pm to 3:00pm
