Thursday, October 14, 2021
SETRAC Virtual Meeting
1111 North Loop West, Suite 650, Houston, TX 77008

Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Dr. Brent Kaziny Topic: Call to Order/Approval of Minutes	Meeting minutes from August 12, 2021 were approved as written. Attendance will now be tracked by going to www.setrac.org/pediatrics .	The committee has no further recommendations
Presenter: Adam Lee Topic: SETRAC Update	Adam Lee with SETRAC presented "The Role of SETRAC from a Pediatric Perspective". Topics included, The Regional Pediatric Evacuation and Mass Surge Plan (PEMS) Plan and Exercise, and COVID data reporting for Pediatric facilities. Please reach out to Adam Lee at adam.lee@setrac.org or 832.297.1355 if you have any questions.	Adam Lee will share his slide deck from the presentation today.
Presenter: Dr. Brent Kaziny Topic: 2021 PECC Workshop	The PECC Workshop was held August 26, 2021 and had a successful turnout. The workshop was recorded and will be compiled to be sent out statewide.	The committee has no further recommendations
Presenter: Dr. Nichole Davis Topic: Education Workgroup Update	There is a need for volunteers for the education workgroup. Continuing education credits will be given by SETRAC for completing educational webinars. Triage training could be the first series provided for the education series.	The committee has no further recommendations
Presenter: Allen Sims Topic: 2021 Committee Goals Trauma Pediatric Transport Guideline Update	The transport guideline has been approved in the Pediatric committee and was sent to the Trauma Committee for approval. There is one revision being made and will be finalized and will be presented at the Board Meeting in January 2022.	The committee has no further recommendations
Presenter: Kat Gautreaux Topic: Regionwide Child Physical Abuse Screening Protocol	This topic will be removed from the standing agenda items as this topic is being worked at a state level. Best practices for reporting child abuse in a pre-hospital setting will be distributed through EMS agencies once the education is finalized. Please reach out to Kat Gautreaux if you have any Pediatric focused educational topics for the future.	The committee has no further recommendations
