TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Brett Dowdell Topic: Trauma Data Registry Subcommittee Update	Q2 2021 data for Adult and Pedi reviewed. Total patients for Level II decreased and Level IV increased. Level II had facilities come offline, which reflects in the data. Missing ISS for Level IV have improved. Mortality percentage by designation level reviewed. Non-designated census is small, causing the data to jump around. Top 5 Mechanisms reviewed. The firearm category is trending upward currently among adult and pedi.	The committee has no further recommendations
Presenter: Sarah Beth Abbott Topic: Pediatric Committee Update	Pediatric Committee met October 14, 2021, where Adam Lee with SETRAC discussed the Regional PMS Plan and on COVID data reporting. Pediatric Education is in the works and the group will begin meeting in 2022.	Sarah Beth to contact Allen Sims to check on the status of revisions.
Presenter: Jessica Yell Topic: Injury Prevention Committee Update	Falls: Tai Chi Train the Trainer courses were held in November, and they are now in phase two of this course. Leaders are needed for this group. Firearms: Leaders needed for this group. Injury Prevention: Injury Prevention Day is November 18, unified campaign has been published for social media.	The committee has no further recommendations
Presenter: Jessica Vickers Topic: Stop The Bleed	Brett Dowdell reported. STB State Coalition webpage has information on about upcoming activities and trainings. The didactic version of the STB course is an option as of now.	The committee has no further recommendations
Presenter: Chris Collier Topic: EMS Update	Discussed protocols for EMS and hospitals during a Mass Casualty Incident. Committee goals will be set to work towards an improved process for EMS agencies and hospitals to work together during an MCI.	The committee has no further recommendations
