

SETRAC Trauma Committee

Thursday, January 6, 2021
SETRAC Conference Center, 1111 N. Loop West, Suite 160, Houston, TX 77008
Virtual Meeting

Page 1 of 3

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Dr. Michelle McNutt Topic: Call to Order/Approval of Minutes	Minutes from the meeting on December 2, 2021, were approved with no changes. Attendance will now be tracked by going to https://www.setrac.org/trauma . This is where you also will enter your code words	Minutes approved with no changes
Presenter: Eric Bank Topic: Whole Blood • Component Therapy Program	Eric Bank was not able to attend, but Dr. Michelle McNutt reported that CyFair now has prehospital access to low titer O negative blood.	No update currently. Will table until next meeting.
Presenter: Eric Bank Topic: Whole Blood • Prehospital Ketamine Usage	No changes on this topic, please continue to follow protocol for prehospital Ketamine usage.	The committee has no further recommendations
Presenter: Chris Collier Topic: Protocol for EMS agencies during an MCI	The EMS Committee will form a workgroup to put together a workgroup for EMS agencies to all be consistent in Triage methods regionwide. Different types of MCI require different resources when preparing for the patient, therefore standardized triage methods will be discussed and put into place. Prehospital triage tagging methods should be consistent throughout the EMS agencies and facilities. If you are interested in participating in this group, please let SETRAC know.	The committee has no further recommendations
Presenter: Brett Dowdell / Stephen Mora Topic: Trauma Data Registry Subcommittee Update • Top Mechanisms by Zip Code	The workgroup has finished the Level II Tourniquet paper. The group may pick up the Stranded Motorist and "It's Only A White Line" initiative. Q3 2021 data will be presented at the March 3, 2022 meeting. The committees and workgroups are seeking approval from facilities and committees to go forward with collecting this data and the best way to retain the information. Stephen Hiriart and Stephen Mora are both now at the same facility, if there is any concern with this or if anyone is interested in assuming the Co-Chair position, please reach out to Tonya Carter or Dr.	The committee has no further recommendations

	McNutt.	
Presenter: Brett Dodwell Topic: Trauma Research Workgroup Update • Subcommittee Leadership	The Trauma Data Registry Subcommittee is seeking approval from the Trauma Committee to go forward collecting the stranded motorist data and what specific data points should be collected and reported.	
Presenter: Sarah Beth Abbott Topic: Pediatric Committee Update	Pediatric topic of interest survey was sent out, please complete the survey if you have not done so already. The survey closes tonight at midnight. The Pony Express Newsletter was released today, please check it out. TQIP is hosting a webinar on 01/26/22 discussing the new pediatric standards at trauma centers.	Sarah Beth to contact Allen Sims to check on the status of revisions.
Presenter: Re Topic: Injury Prevention Committee Update	Jessica Yell has stepped down as the IP Committee chair as of this morning. The position will be need to be opened up, so please reach out to Dr. McNutt or Darrel Pile if you are interested. No updates on committee or subcommittees at this time.	The committee has no further recommendations
Presenter: Brett Dodwell Topic: Stop The Bleed	No regional STB updates at this time. The state STB coalition is continuing to move forward. Tourniquet data on the state level is now available on a quarterly basis. The data is not complete as of yet, but preliminary data has been released. Potential standing agenda item in the future.	The committee has no further recommendations
Presenter: Chris Collier Topic: EMS Update	Interfacility transfers have been visited in prior meetings and will continue to be monitored, however with COVID still going on and staffing shortages, there is not a lot that can be put into place right now regarding this. Next EMS meeting is January 21, 2022 and will be held virtually.	The committee has no further recommendations
Open Discussion	Rebecca Crocker reported that there will be a trauma data registry	The committee has no further
