Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Shawna Robinson / Tracy Akin Topic: Welcome and Introductions	The minutes from the February 23, 2022, meeting was approved as written.	The committee has no further recommendations
Presenter: Olga Ortega Topic: Old Business Non-PCI Toolkit Revision Updates	Olga Ortega updated the STEMI Treatment Order Form. Everyone agreed with the new form. Will present it to the committee for approval. Once approved it will be posted on the SETRAC website.	The committee has no further recommendations
Presenter: Grace Farquhar Topic: Data/QI • Focus on First Hospital DIDO Times • New Data Points Topics / Ideas • Data Abstractor Education	Grace presented on DIDO time tracking. The goal is 75% within 30 minutes. The trend is getting worst the numbers have not been going up. Going to focus on this to see what areas can make an impact. Currently the beta testing field is optional for reporting. In 12/2021 there were more coming in from free standing. Delta surge data from April 2021 is during the pandemic. Will discuss further at the Cardiac Care Committee meeting at the end of the month if have any questions will answer at the meeting and brainstorm how to use the data and make any improvements.	Discuss DIDO data
Presenter: Christy Means / Catherine Bissell Topic: Education • Call for Volunteers! • Cardiac Care Education Series • Education Topic Survey Results	Andrew Storey will be the education speaker for the April 22 nd meeting. A 30-minute lecture on Engaging EMS and Hospital Administration. How to improve communication between the two. CEUs will be provided for nurses and EMS. Will have a link or QR code at the end of the lecture to fill out a survey to get the CEUs. The meeting will be virtual and recorded from 7:30am-8:00a.m. The invite will go out prior to the meeting and separate from the committee meeting reminder email.	The committee has no further recommendations
Presenter: Tonya Carter Topic: Protocols • Revise SETRAC Cardiac Webpage	Have updated some of the content on the webpage once the PCI Toolkit is approved by the committee it will be uploaded. Open to suggestions and updates for the webpage please send them to Tonya or Carrman	The committee has no further recommendations
Open Discussion	Data Subcommittee Co-Leader needed. What that role entail is all the data submitted to SETRAC Tracy, Grace, and new Co-Leader, will meet to go over the data (data points, data dictionary) before reporting	The committee has no further recommendations
