| TOPIC                                                                                                                                                        | DISCUSSION/RECOMMENDATION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 | ACTION/FOLLOW-UP                                               |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------|
| <b>Presenter: Andrew Adams</b><br><b>Topic: Call to Order/Approval of Minutes</b>                                                                            | Meeting called to order. Minutes from September 28, 2022 were approved with no changes. Attendance will now be tracked by going to <a href="http://www.setrac.org/stroke">www.setrac.org/stroke</a> . This is where you will enter your code words at the beginning and end of the meeting.                                                                                                                                                                                                                                                                                                                                               | The committee has no further recommendations                   |
| <b>Presenter: Tonya Carter</b><br><b>Topic: New Business</b> <ul style="list-style-type: none"><li>Hospital Capability Survey</li></ul>                      | Tonya sent out the hospital capability survey with a due date of December 5 <sup>th</sup> from the request at the last stroke coordinators meeting. The survey polled the facilities to see what their capabilities or barriers were for meeting the 30-minute DTN time.                                                                                                                                                                                                                                                                                                                                                                  | The committee has no further recommendations                   |
| <b>Presenter: Dr. Sean Savitz</b><br><b>Topic: Old Business</b> <ul style="list-style-type: none"><li>TNK Implementation</li><li>Rehab Utilization</li></ul> | Dr. Savitz would like to keep TNK implementation as a standing agenda item until further notice. Most hospitals were starting or getting ready to start TNK implementation. There was one hospital still evaluating it and waiting until the beginning of the new year to decide.                                                                                                                                                                                                                                                                                                                                                         | TNK Implementation will be on the agenda until further notice. |
| <b>Presenter: Jill Bricker</b><br><b>Topic: Data Subcommittee</b>                                                                                            | Jill Bricker gave a summary of what was discussed in the data subcommittee meeting. Grace is working on the rehabilitation metrics she has made a lot of headway over the last few weeks getting the metrics together. Things to be added to the metrics are gender, discharge disposition, social needs, payment, ambulatory status, they are looking at wakeup stroke as well. Some of the things that were suggested to be added to the list are race, ethnicity, etc., and breaking down some of them. Grace will be working on adding the suggestions from the meeting and revamping at the next meeting. It is looking good so far. | The committee has no further recommendations.                  |
| <b>Presenter: Grace Farquhar</b><br><b>Topic: EMS Metrics for Strokes</b>                                                                                    | The suggestions the group submitted was given to SETRAC's EMS person to be presented at the EMS committee meeting however the meeting was canceled. The suggestions will be presented at the January meeting.                                                                                                                                                                                                                                                                                                                                                                                                                             | The committee has no further recommendations                   |

| TOPIC                                                                                  | DISCUSSION/RECOMMENDATION                                                                                                                                                                                                                                                                                                                                                                                   | ACTION/FOLLOW-UP                             |
|----------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------|
| <b>Presenter: Tonia Shelton/Michelle Vu</b><br><b>Stroke Coordinators Subcommittee</b> | Tonya Carter reported on Tonia and Michelle's behalf and advised the compatibility survey was sent out and they will be working towards meeting their goal from the survey. Grace advised one of the goals for the committee was to be able to give alteplase and TNK within 30 minutes of arrival at the hospital ED they wanted to know what capabilities each hospital had in reaching the goal as well. | The committee has no further recommendations |
| <b>Presenter: Tonya Carter</b><br><b>Topic: Stroke Education Workgroup</b>             | Next hospital to present on Best Practice Education will be Memorial Hermann Greater Heights.                                                                                                                                                                                                                                                                                                               | The committee has no further recommendations |
| <b>Open Discussion:</b>                                                                | Allison gave a quick reminder of the downtime with GWTG starting December 16 <sup>th</sup> at 8:00 pm it will be down for three weeks. If anyone has questions, please reach out to her.                                                                                                                                                                                                                    | The committee has no further recommendations |
| <b>Next Meeting / Adjournment</b>                                                      | There being no other items for discussion, the meeting was adjourned. Next meeting will be held Wednesday January 25, 2023, at 2:00pm – 3:30pm – In Person with Virtual Option.                                                                                                                                                                                                                             | Code Words<br>Chilly/Frosty                  |
