

SETRAC STEMI Coordinator Meeting

Wednesday, January 25, 2023
Virtual Meeting

Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Carrie Boyd/Kristen Sciberras Topic: Welcome and Introductions	The minutes from the December 14, 2022, meeting was approved as written.	The committee has no further recommendations
Presenter: Grace Farguhar Topic: SETRAC Data Updates	They are still working on Q1 & Q2 Cardiac CE reports hope to get them out by Friday morning. The suggestions for EMS data were passed along to SETRAC's EMS liaison. They are looking at ways where SETRAC can upload the data for facilities. They are still working with NCDR to see if SETRAC can access patient level information (not patient specific) to collect demographic information will be coming down the pipe hopefully this Spring. A survey was sent out to see how many were using NCDR chest pain registry, MI Registry, or American Heart GWTG Cad registry. Most are using NCDR chest Pain and MI Registry. The current data dictionary is based on the NCDR registry. Optional fields were added so the data dictionary will need to be updated. Cynthia Hernandez and Olga Ortega will lead the STEMI data subcommittee group. At the next Cardiac meeting Friday Q3 data will be shown. Please make sure your Q3 data is in. There are a few facilities that have not submitted their data.	The committee has no further recommendations
Presenter: Tonya Carter Topic: Protocols o Lytics and FSED	A document was sent out to the FSED with little response. The document will be sent out today with a deadline of February 10 th for input. There was no pushback everyone is on board.	The committee has no further recommendations
Open Discussion	Carrie Boyd asked if anyone was interested in volunteering to co-lead with her on the STEMI Coordinator Subcommittee. Kristin Sciberras stepped down. Rebecca Nutt with Memorial Hermann the Woodlands volunteered to co-lead with Carrie Boyd. Tonya will reach out to her and get her acclimated. Cynthia Hernandez volunteered to lead the STEMI coordinators data subcommittee group. Olga Ortega volunteered to co-lead with Cynthia Hernandez.	The committee has no further recommendations
