Presenter: Donna Padilla Topic: Stroke Education Workgroup ○ Houston Methodist TMC ○ Creation of rehab performance measures	Donna Padilla, Sr. Program Manager from Houston Methodist Hospital TMC presented on The Creation of Rehab Performance Measures. She shared their Stroke Program Mission and Vision Statements. She also shared their ICARE values. Donna stated they started this initiative based on the findings from the DNV Stroke Survey. It showed the lack of a measure to adequately demonstrate time from order to therapy contact for PT, OT and Speech Language Pathology for Stroke Patients. So, they developed an EPIC report for rehab performance measures for use by Stroke Program and Rehab Services. Donna showed slides on the team solving process steps. Donna then showed the results based on therapy response time and there was a great improvement. She attributes this to proper training, and observation. She stated their next steps as a team were to educate staff on metric and method of tracking, ensure all evaluations and attempts are documented, ensure time of service is correctly entered, report monthly performance, and provide regular updates to the Stroke Team. There were questions and open discussions between the members on this presentation.	The committee has no further recommendations
Presenter: Susan Zamora/Stacey Day Topic: Stroke Data Subcommittee ○ Subcommittee Update	Susan didn't have much to recap from the data meeting, as that meeting was canceled due to inclement weather. Grace recapped on the last data subcommittee meeting. She talked about the initiative that came down from the Stroke Committee on rehab initiative metric. It would now be the Stroke	The committee has no further recommendations
