| TOPIC                                                                                                                                                                                      | DISCUSSION/RECOMMENDATION                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | ACTION/FOLLOW-UP                                                                              |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| <b>Presenter: Tonia Shelton</b><br><b>Topic: Call to Order/Approval of Minutes</b>                                                                                                         | <p>Tonia called the meeting to order. Minutes from May 22, 2024 were approved with no changes. Attendance will now be tracked by going to <a href="http://www.setrac.org/stroke">www.setrac.org/stroke</a>. This is where you will enter your code words at the beginning and end of the meeting.</p>                                                                                                                                                                                                                                                                                                                                           | <p>The committee has no further recommendations.</p> <p>1<sup>st</sup> Code word - Summer</p> |
| <b>Presenter: Tonia Shelton/ Melanie Aluotto</b><br><b>Topic: New Business</b> <ul style="list-style-type: none"> <li>○ Vacant Stroke Coordinators Subcommittee Leader Position</li> </ul> | <p>Tonia informed the members there is an open leader position. She explained the leadership role and ask for any volunteers that might be interested. There was a member that showed interest in the position. The QR code was shown for the members to vote on the nominees.</p>                                                                                                                                                                                                                                                                                                                                                              | <p>The committee has no further recommendations</p>                                           |
| <b>Presenter: Erika Cadriel</b><br><b>Topic: Stroke Education Workgroup</b> <ul style="list-style-type: none"> <li>○ HCA Houston Healthcare Southeast</li> <li>○</li> </ul>                | <p>Erika Cadriel, Stroke Coordinator from HCA Houston Healthcare Southeast presented on their best practice "Code Stroke". She stated they activated this code stroke for patients with all stroke patients with a LKW&lt;24hrs. This process is related to their Walkin patients with stroke like symptoms checking-in in the ED. She showed slides with the process for the walk-in arrival and EMS arrival. There were numerous questions and open discussion between the members. She gave credit to the ED team and her director, Courtney who, implemented this process. She stated this process has helped the ED team tremendously.</p> | <p>The committee has no further recommendations</p>                                           |
| <b>Presenter: Susan Zamora</b><br><b>Topic: Stroke Data Subcommittee</b> <ul style="list-style-type: none"> <li>○ Subcommittee Update</li> </ul>                                           | <p>Susan stated there wasn't an update due to the cancellation of this in person subcommittee meeting, due to the weather. Grace mentioned the co leader position is now available as Stacey Day is no longer a co-chair. Susan gave more information on the role and responsibilities. Any members interested in being a co-leader was invited to reach out to SETRAC directly.</p>                                                                                                                                                                                                                                                            | <p>The committee has no further recommendations</p>                                           |
| <b>Presenter: Tonia</b><br><b>Topic: Stroke Education</b> <ul style="list-style-type: none"> <li>○ Best Practice Calendar</li> </ul>                                                       | <p>Tonia showed the members the 2024 Stroke Education Calendar. She let the members know, if anyone need to make any changes to their scheduled presentation date, to please notify SETRAC.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                 | <p>The committee has no further recommendations</p>                                           |
