TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Andrew Hiriart Topic: Call to Order/Approval of Minutes	Jessica Yell called the meeting to order. The minutes from the meeting on January 4, 2024, were approved. Attendance will now be tracked by going to https://www.setrac.org/trauma or the QR Code at the end of the meeting.	The committee has no further recommendations.
Presenter: Jessica Yell/Andrew Hiriart Topic: New Business ○ Falls by ISS Data ○ Pediatric/Adult	Pediatric Jessica reported on the 2023 pediatric data. The report was for all four quarters that included • Ages 15 and younger, • 4,567 pediatric records from 34 facilities with only 4,468 that had designations attached to the records. There were records without designations they will check with ESO to make sure data is being captured. Hospital arrival methods were discussed for Levels III and IV Grace and Suzanne will dig down on kids with ISS that are brought to facilities. They will check the top 5 mechanisms of injury. They discussed doing something to separate for pediatric burn TCH still capture it but its limited. Mortality by mechanism was mentioned they will check into capturing deaths. Jessica shared and discussed pediatric • 2023 Hospital arrivals level by Month • Quarterly total patients by designation levels • Levels by ISS • ISS scores • ISS records missing • Injury severity score with mortality • Hospital Arrival Method by Levels • Mortality percentage by designation level • Mortality by age • Top 5 mechanisms of injury – falls being #1 • Mechanism by year – percentages • Transfer out by Level ○ Level 1 – 24/2%	The committee has no further recommendations.
