TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenters: Kate Drone/Audrey Barnett/Theresa Walters/ Sharon Patagoc Topic: Call to Order and Approval of Minutes	Audrey welcomed everyone to the meeting. Attendance will now be tracked by going to www.setrac.org/perinatal . This is where you will also enter your code words. The minutes from the last meeting on August 20, 2024, were approved.	The committee has no further recommendations
Presenter: Audrey Barnett Topic: New Business ○	Audrey asked the members if they had any new business to discuss, as there wasn't any new business on the agenda for this meeting. Dr. Weisoly brought up the topic of the Congenital Syphilis project, that is being worked on by other SETRAC perinatal workgroups. He stated this a collaboration between maternal and neonatal as the State of Texas is the maybe the world leader in congenital syphilis. He asked for the support from all members of this workgroup to participate, when this project is ready. There were open discussions on pulmonary reads and radiology qapi. Best practices and processes were shared between the members.	The committee has no further recommendations.
Presenter: Audrey Barnett Topic: Old Business ○ Recent Survey Experience ○ Volunteers for Best Practice	Audrey asked anyone if they have any best practice to share, this is a great place to share it. She stated you can actually get credit for outreach education. There were no volunteers at this time. She also invited all to share any survey experiences like anything that went well or something that was a challenge, or anything you just might need help on. A level II neo facility shared some deficiencies from a recent survey and discussed their takeaway and somethings they are now working on. There was open discussion on the surveys and data between the members. There was a question if there was a way to have a seat at the table with legislature of healthcare through SETRAC, to make sure we are moving the needle. The suggestion is to start mapping legislative advocacy activities to this group.	The committee has no further recommendations
Topic: Open Discussion	There were other open discussions between the members.	The committee has no further recommendations
