CALL TO ORDER

Eric Steffel called the meeting to order and welcomed the meeting attendees. The meeting was held virtually and in-person at SETRAC. Meeting attendance roster is attached.

DISCUSSION	ACTION/RECOMMENDATION	FOLLOW-UP
The following topics were presented at the subcommittee meeting: - Amy Thompkins of The Harris Center gave a presentation on first responder EMS resources available. Flyers were distributed to the subcommittee of an upcoming mental health consortium on May 21st specifically for first responders. The event will allow EMS leaders to network and learn about the trainings and resources available for first responders. - CHF readmissions in hospitals has been a hot topic of which MIH could be of value. Some hospitals systems are considering reimbursement for assessing patients post-discharge. Each agency's programs would need to be evaluated as well as the value brought to the service and their communities to determine a reimbursement amount. - Nicole Michels announced that ESD 11 will be kicking off their MIH program on March 25th. - The subcommittee discussed how other agencies are using the MIH program and barriers such as logistics and funding. - Keir Vernon reported that the Texas Municipal League and the Texas EMS Alliance put a lot of emphasis for EMS as a whole during the last legislative session. There was some movement on a bill about allowing ESDs to assist or recognize and fund MIH and CP programs. It was highly suggested that ACO organization conferences be looked at for funding and partnerships.	No action items or recommendations. It was suggested that hospitals be approached together as a group. No action items or recommendations. No action items or recommendations. Ms. Vernon will provide additional updates and information with Corey Naranjo to pass along to the subcommittee.	Closed. Update to be provided at next meeting. Closed.
