

SETRAC Neonatal Subcommittee

Wednesday, January 08, 2025
Virtual Meeting

Page 1 of 2

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenters: Dr. David Weisoly Topic: Call to Order and Approval of Minutes	Dr. Weisoly welcomed everyone to the meeting. Attendance will now be tracked by going to www.setrac.org/perinatal . This is where you will also enter your code words. The minutes from the last meeting were approved.	The committee has no further recommendations
Presenter: Dr. David Weisoly Topic: New Business ○ 2025 Goals	Dr. Weisoly started by reminding the members of the great opportunities to submit poster projects and the importance of participating in this committee. He stated the poster projects should be approved through SETRAC. He talked and asked the members for other ideas/projects for committee goals.	The committee has no further recommendations
Presenter: Dr. Sushma Nuthakki/ Joy Greenberg Topic: Antibiotic Timeliness Workgroup Update	Joy Greenberg gave a quick update and thanked the people that completed their survey. She mentioned she is currently working on the poster project for the Neonatal Insights Conference held in 02/2025. She stated this workgroup will be working on the 2025 committee goals at the next scheduled meeting 02/11/2025. Dr. Nuthakki also thanked everyone for completing this survey.	The committee has no further recommendations
Presenter: Dr. A. Tsai/ Dr. Rebecca Ballard Topic: Infant Mortality & Morbidity Workgroup Update	Dr. Tsai gave a quick update. She asked that the OB and Neonatal Program Managers reach out to the congenital syphilis hotline to get the cards and have them posted in the NICU and Newborn Nursery, and on the maternal side. She stated that the congenital syphilis workgroup is meeting again this week to discuss specific data points for collection. Dr. Weisoly thanked all the people that joined the congenital syphilis group as this is a major issue in this region.	The committee has no further recommendations
Presenter: Dr. Tiffany Molina/ Dr. R Rawalt Topic: Breastmilk at Discharge Workgroup Update	Dr. Tiffany Molina thanked everyone that completed the survey money. She stated 91% said they have access to the toolkit on the SETRAC website and 2/3 use it. She talked about the survey results. Dr. Molina also shared early data regarding delivery of mother's own milk at 28 days of life or discharge from All birthweights and VLBW. She discussed the tiered strategies and departmental goals for improvement. She stated they will get the smart goals set at the February 11, 2025, meeting. She stated she is also looking forward to	The committee has no further recommendations

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
	presenting their work at the neonatal insights event on February 1, 2025.	
Presenter: Dr. Fry/ Dr. Kulkarni/ Grace Farquhar Topic: Data Update	There is no new data to report at this time. Grace did remind the members that the Q4-2024 data is due 03/31/2025. Dr. Weisoly reminded all the members, it is imperative that SETRAC receives that data by the deadline, as it can dramatically reflect and impact the data numbers. Grace reminded all members that data submission is required for SETRAC participation letters to be released for state designation/redesignation. Grace gave all the members her email address for any questions or assistance with submitting data. Grace.Farquhar@setrac.org	The committee has no further recommendations
Topic: Open Discussion	Dr. Weisoly opened the floor to all for questions and open discussion. There was no further discussion.	The committee has no further recommendations
Adjourned/Next Meeting	There being no other items for discussion, the meeting was adjourned. Next meeting will be Wednesday, May 14, 2025 - 10:00am-11:00am	Code Words- Neonatal
