

SETRAC STEMI Coordinator Meeting

Wednesday, March 5, 2025
Virtual Meeting

Page 1 of 3

TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Carrie Boyd/Rebecca Nutt Topic: Welcome and Introductions	Rebecca Nutt welcomed everyone. The meeting minutes from the January 24, 2025, were approved as is, with no revisions. Reminder to log attendance at www.setrac.org/cardiac .	The committee has no further recommendations
Presenter: Rebecca Nutt Topic: New Business - o STEMI Subcommittee New Co-Leader - o New Meeting schedule - o DIDO Workgroup Update - o NCDR Workgroup Update	Rebecca opened the new business by introducing the new co-leader of this subcommittee. Lady Brenda Boateng, stroke coordinator from HCA Kingwood. She wasn't in attendance at this meeting. Rebecca and Merjani (SETRAC) shared the idea of changing the meeting frequency for this subcommittee with the members. The members of the committee review the meeting calendar together and agreed with the changes made to the meeting schedule. It was decided STEMI coordinators will only meet via zoom a month before the Cardiac Committee meets. The STEMI meeting that usually followed the Cardiac committee will be discontinued. Rebecca recapped what was discussed at the DIDO workgroup. She stated they are starting to create what outcomes will come from this and idea were shared. More to come on that. Grace gave an update on the NCDR workgroup. Grace stated that we should be getting a sample data download to look at soon. This will show the different fields and the different ways this data could be collected. More to come.	The committee has no further recommendations
Presenter: Rebecca Nutt Topic: Old Business - o Best Practice Calendar - o QI Program - o Heart of the Matter - o Research PI Project	Rebecca reviewed the best practice calendar with the members, emphasizing that its purpose is to encourage sharing of best practices from their facilities with others. She then reminded everyone about the QI program, which addresses any concerning trends or clinical issues, and shared a link to the program on the website. SETRAC is currently working on securing location and dates for 2025 heart of the matter events, more to come. Grace discussed the purpose of PI project and gave some examples like, sharing poster projects or anything or idea anyone might want to share.	The committee has no further recommendations
Presenter: Grace Farquhar Topic: SETRAC Data Updates	Grace stated, at this time SETRAC doesn't have any data to show as	The committee has no further recommendations
