- 1950 USA beat heavily favored England 1-0 as of the greatest upsets

Road Closures and Traffic

Closures may begin as much as 6 hours before the game and 2 hours after the game ends. This will affect staff arriving and departing from their shifts.

Slow spots to watch west/south Loop 610 (especially near the stadium), I-45 South from downtown toward NRG, US-59, and Texas 288. Secondary roads near NRG like Bellaire, West University, South Main, Fannin, and Richmond Ave

HPD will establish the official perimeter, we suggest you expect security perimeters similar to Rodeo or Super Bowl – these may include full or partial closures on match days of:

- Kirby Drive (especially near McNee Rd and Westridge),
- Fannin Street near the stadium perimeter,
- Murworth Drive,
- Lantern Point Drive,
- Stadium Drive / NRG Park

- Each march route broken into three separate sectors. This allows one sector to be open allowing traffic to continue to flow until we need to close it off. This will alleviate traffic in and around the medical center.
- The Netherlands will begin their march at **0845** hours from Rice University. HPD has worked with the organizer and Rice to separate the ticketed from the non-ticketed prior to the march. The non-ticketed will either return to Rice or take the train from Colonnade (Smith Lands Station). The ticketed will continue to NRG. The expected time from beginning to end will be about 45 minutes to an hour. It is important to note once the group has passed sectors, they will reopen to allow traffic to pass through. Most importantly the march will be stopped to allow emergency traffic to pass through it needed.
- Sweden will begin their march at **0930** from Helix Park. The non-ticketed will be instructed to turnaround at a set location while the remainder continue to NRG. HPD will hold traffic once again for those participants who return to Helix and then reopening the route as we pass. Expected time from beginning to end is about 45 minutes.
- Avoiding Greenbriar from University all the way to Fannin and Cambridge from East Road from 0845 until approximately 10:30 will probably be best however, HPD will work with EMS and people who need to get through. Both organizers understand and we will be in position to halt the march if needed to allow for traffic to traverse if needed. Please let me know if you have any other questions. Thank you for your partnership and help.

FIFA MISSING PERSONS REPORT

Should someone arrive at your facility looking for a sick or injured person. (Related to the FIFA World Cup)

We are providing access to a form that is available in multiple languages to assist with reporting a missing person.

NOTE: This is meant to be utilized if the missing person is presumed to be part of the FIFA event, as either a participant or a fan.

Steps to follow if someone comes to your facility looking for a missing person:

1. Determine if the missing person is at your facility and follow your normal process for reunification if they are located at your facility.
2. If they are not at your facility, utilize the missing persons form found at this URL.

Questions? Hospital can contact SETRAC by calling our on-call duty officer (281) 822-4444 Option 2, or email cmoc@setrac.org

Or this QR Code can be provided for ease of access on a mobile device. The reporting party can leverage this QR Code if necessary as it can be changed to multiple languages and allows for uploading pictures of the missing person etc.
