We are providing access to a form that is available in multiple languages to assist with reporting a missing person.

NOTE: This is meant to be utilized if the missing person is presumed to be part of the FIFA event, as either a participant or a fan.

Steps to follow if someone comes to your facility looking for a missing person:

1. Determine if the missing person is at your facility and follow your normal process for reunification if they are located at your facility.
2. If they are not at your facility, utilize the missing persons form found at this URL.
