TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Blake Milnes Topic: Call to Order/Approval of Minutes	Blake Milnes welcomed everyone to the injury prevention committee meeting. Approval of the February 5 th minutes were delayed to the August meeting due to everyone not having a chance to view them. Blake advised attendance is tracked by the QR code at the end of the meeting or by going to www.setrac.org/injuryprevention.com . and that he will give a code word at the beginning and end of the meeting to use when logging in attendance. Blake announced due to the FIFA World Cup the June 4 th Trauma Day meeting is canceled.	Approval of minutes delayed until the August meeting
Presenter: Dr. Shenoi Topic: New Business Best Practice Education Presentation - Drowning Prevention Presenter: Erica Brisse Topic: New Business Best Practice Education Presentation - Water Safety at Home or Outdoors	Dr. Shenoi, Professor of Pediatrics at Baylor College of Medicine, spoke on moving the drowning prevention needle in communities and beyond. He presented a comprehensive data analysis on drowning patterns in the Houston area, identifying high-risk locations and demographic factors. Learning objection: Apply a public health approach to reduce and prevent drowning in metropolitan Houston. Erica Brisse, Learn to Swim Director, presented on who and what Katy Aquatic's offer the community. She spoke on community water safety education for children 3-14 including free swimming lessons, life jacket education, and safety protocols for pools and beaches. The best practice presentations gave in depth information on water safety and drowning prevention initiatives across the region.	The committee has no further recommendations
Presenter: Blake Milnes Topic: Open Discussion Around the Room Updates	Stop the Bleed Carrman reminded all instructors to please continue to submit their data to the 3 data bases (ACS, SETRAC, and TX Coalition) she advised if anyone needed help submitting their data to let her know and she would submit their data for them. Carrman gave a first quarter report on stop the bleed classes taught, and the number of people trained (January – March). There were 806 trained and 17 classes taught. She announced that SETRAC stop the bleed classes will be on hold from May1, 2026 – July 31, 2026, due to	The committee has no further recommendations
