TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenters: Kate Drone/Audrey Barnett/Peyton Villarreal Topic: Call to Order and Approval of Minutes	Audrey welcomed everyone to the meeting. Attendance will now be tracked by going to www.setrac.org/perinatal . This is where you will also enter your code words. The minutes from the last meeting on December 16, 2025, were approved. The first codeword was given.	The committee has no further recommendations
Presenter: Kate Drone Audrey Barnett/Peyton Villarreal Topic: New Business 2026 Smart Goals	Audrey started the discussion by reviewing the 2026 Smart Goals with the group deciding to maintain just two goals rather than adding more. The first goal involves developing a program playbook, with plans to partner with TTAF to adapt trauma-specific content for perinatal programs. The second goal centers on creating educational content for CE credits, including topics like program manager support and QAPI guidance. The members discussed creating a perinatal trauma guide for hospital executives, with Audrey presenting a table of contents structure and Kate sharing a trauma administration guideline that could be adapted.	Kate will reach out to explore partnership for developing a perinatal program playbook/guidebook and report back with a plan in April. Peyton out a poll/survey to program managers to collect feedback on desired how-to guide topics and areas of expertise/excellence.
Presenter: Audrey Barnett/Kate Drone/Peyton Villarreal Topic: Old Business - Recent Survey Experience - Volunteers for Best Practice	Audrey invited all to share some survey experiences. The members discussed recent survey experiences and transitions. Tara from Memorial Hermann sharing details about their recent Joint Commission survey where they identified two potential deficiencies related to physician credentialing and radiology turnaround times.	The committee has no further recommendations
Presenter: Kelly Henessy Topic: Perinatal Planning Workgroup NRP Classes	Kelly shared information on a recent training class that had 13 participants, noting that while nursing students attended unexpectedly, they would focus future classes on out-of-hospital providers. There was open discussion between the members.	The committee has no further recommendations
Topic: Open Discussion	There was open discussion on sharing literature reviews with others. There were no other open discussions between the members.	The committee has no further recommendations
Adjourned/Next Meeting	There being no other items for discussion, the meeting was adjourned.	Code Words
