TOPIC	DISCUSSION/RECOMMENDATION	ACTION/FOLLOW-UP
Presenter: Andrew Hiriart Topic: Call to Order/Approval of Minutes	Andrew Hiriart called the meeting to order. Approval for the minutes for April 2, 2026, were approved by Julie Matson and Jessica Yell. For those that had not signed the confidentiality agreement in the past a QR code was displayed. Andrew advised going forward the confidentiality agreement only needs to be signed once a year. Attendance will now be tracked by going to https://www.setrac.org/trauma or the QR Code shown at the end of each meeting.	The committee has no further recommendations.
Presenter: Andrew Hiriart Topic: New Business 2025 Pediatric and Adult Data Review	Jessica Yell and Andrew Hiriart reported on 2025 Pediatric and Adult data. The pediatric data report included data for 4,833 pediatric records from 31 facilities. Jessica advised they lost one facility. Patients included in the report were ages 15 and younger. There were no non-designated trauma facilities that reported data for pediatrics. Jessica advised the data was not just from pediatric facilities but adult facilities that pediatric patients were seen and treated. Jessica advised that Suzanne tasked them to have the conversation on doing a deeper dive on the data and may be changing some of the slides. The adult data report included data for 32,330 adult records from 31 facilities. Patient included in this adult report were ages 16 and older and included patients treated at a pediatric facility. Data included only 2025 data. There were no non-designated trauma facilities that reported data. Jessica and Andrew went over the following slides with much discussion. - SETRAC Trauma Level by Month 2025 Patient Arrivals - Direct Presentations only - Total Patient by Designation Levels (Quarterly) - Level by ISS - ISS Scores – Trauma Patients – n=4,833 - Records Missing ISS - Injury Severity Score with Mortality (Level I, II, III, IV) - Hospital Arrival Method - Hospital Arrival Method- ISS (Level I, II, III, IV)	The committee has no further recommendations.
